

Emily has her first loose tooth. She wants to make sure the Tooth fairy knows about it. She writes to the Tooth Fairy everyday, giving updates on the looseness of her tooth and dropping hints about what kind of treasure she might like to find under her pillow. But as the days go by, Emily's tooth still hasn't fallen out. She wiggles it constantly and even eats an apple (yuck!) to help it fall out. Will she ever get a visit from the Tooth Fairy?
