

Celebrity couple Katie Price and Peter Andre have separated after three-and-a half years of marriage and the tabloid cat-fight has been escalating towards what will unquestionably be the most high-profile divorce of the decade. With accusations and underhand comments trading camps on a daily basis, and Katies on-off relationship with cage fighter Alex Reid, Peter has broken his silence on their split and things have turned nasty. With a truly fairy tale wedding at Highclere Castle in Hampshire, complete with pink Cinderella style horse drawn carriage, the couple went on to have two children, Junior and Princess. But the happy ever after was simply not to be and the couples very public relationship has ended with a very public divorce. In this insightful and emotive book, author Emily Herbert takes a look at the couples relationship, their break up and their divorce.
