

If you have wondered how to make money from home, you should try OfferUp! After extensive use, and hundreds of sales, I have shared my tips and tricks in this ebook. Whether you want to learn how to make money from home, for selling items at your business, or learn tips on reselling items you purchased, this ebook will help you maximize your efforts. In this book, you will learn: • How to make money from home, using OfferUp • How to make quick money, using your smartphone or tablet and the OfferUp App • How to make extra money, selling items from around the house • How to resell items • How to identify items you can resell and make money • Work from home, at your business, or just about anywhere- using OfferUp! • Tips on how to collect money and considerations for meeting customer needs

The economy has not recovered in many communities. This has led to an increased need to purchase used items. Perhaps you have that perfect item someone else is looking for! This very popular app is simple to use, but so many people do not utilize the full power. Over only a few short months, I have sold thousands of dollars of items through OfferUp. Utilize my knowledge and experiences to help you fine-tune your efforts. Here is a list of the chapter titles and some notes on what's inside: • Chapter 1: A little about re-selling items (learn some statistics about the resale market) • Chapter 2: Preparation (a brief review of the necessary items you need to use OfferUp) • Chapter 3: Getting Started with Offer Up (learn how to download the app and sign up for an account, post an item, and share it on social media) • Chapter 4: Pictures (fine-tune your pictures to maximize interest in your items) • Chapter 5: Title, Category, Description (optimize these areas to improve your customer and seller experience) • Chapter 6: Pricing (Learn some tips and tricks on pricing, and a special section on Selling Resale for a PROFIT) • Chapter 7: The Offer (gain an understanding of how you interact with offers from buyers or messages about your items) • Chapter 8: Clean-up after selling (best-practice solutions to help you stay organized and focus potential buyers on the items you still have available) • Chapter 9: Relist or not? (learn about the pros and cons of relisting your items) • Chapter 10: Social Media (a critical element of building repeat sales, reviews top social media sites and how you can use them) • Chapter 11: Leveraging Google (learn about Google resources to help you sell on OfferUp) • Chapter 12: Avoiding Scams (protect yourself from predators) • Chapter 13: Keeping Your Customers (if you plan on selling more than casually, this chapter will help you learn how to build repeat customers and repeat sales) • Chapter 14: Finding items to sell (if you want to expand to more than just a few items, this chapter will help you identify opportunities for reselling) • Chapter 15: How do I compete? (tips and tricks to help you beat your competition and still make money) • Chapter 16: Anticipating Customer Needs (yes, your potential buyers will ask for a lot- this chapter will help you prepare for the largest number of requests) • Chapter 17: I've decided to ship (resources and suggestions to consider for shipping items) • Chapter 18: May you have many good offers and sales! (Farewell into the world of selling on OfferUp) As a final note, this book focuses on sharing my experience with you. Since I have had significant success on this platform, and I believe it is a great platform, I want to share my best practices. Don't let the page numbers scare you. Half the book is pictures! If you already use OfferUp, a lot of Chapter 3 will be information you know. I wrote the book to target brand new users, but still provide information for those of you not successful on the app (yet). Now is a great time to get started on OfferUp and build your followers for the upcoming Holiday Season. Learn how to make money just about anywhe
