

This is a simple and easy to read picture book for young readers ages 5 - 10. It is full of pictures and fun facts all about starfish and also the different types that live in our oceans. Quite a few different species have been mentioned in this book along with pictures of them. Children can learn and read about these marine animals. This is the first in the series of sea creatures book. Another book is planned for this series following this one so stay tuned.

Plastic and Reconstructive Surgery (Current operative surgery series), The Dimensional Number Fluctuations Powered Christmas Tree Light-Sail Smorgasbord. Notes On Novel Light-Sail Propulsion Methods.
