

THE HOUSE THAT GEORGE BUILT takes readers through the process of how the president's house came to be—starting with the contest George held to choose the perfect design for this legendary landmark, all the way to President John Adams's move into the grandiose home. Cleverly written in the familiar format of *The House That Jack Built*, author Suzanne Slade supplements her rhyming verse with lively conversational prose, describing how George was involved in this project from beginning to end, from selecting the location to figuring out how to get the thousands of heavy bricks to the construction site. Rebecca Bond's watercolor illustrations help readers follow the steps to what became the White House as we know it today.

While George Washington was serving as the first U.S. president, he was supervising the construction of an important landmark. The President's House needed.

THE HOUSE THAT GEORGE BUILT takes K-5 readers on an informative and fun journey back to the early days of the White House.

Puffing slightly, Henry Louis Mencken paused outside of George's Restaurant. He'd walked a little more than a mile from the red-brick house on. Here's yet another author employing the oft-used structure of "This is the House that Jack Built" to provide information about the process of building The White. Few teams have achieved fame like the Chazy boys' soccer team. George Brendler taught them to play his style of soccer and took the North Country by storm. *The House That George Built: With a Little Help from Irving, Cole, and a Crew of About Fifty*, By Wilfrid Sheed, Random House, pp., \$
