In accordance with the recommendation of the Minister of the Interior, after hearing the Council of State in full, and with the advice and consent of the Ministers, I hereby approve the attached regulations for the execution of the law of eminent domain. Alfonso. Given in the Palace on June 13, 1879. C. Francisco Queipo De Llano, Minister of the Interior. Chapter I.--Proceedings For The Declaration Of Public Utility. Article 1. The proceedings for the declaration of public utility of a work in cases in which this formality is necessary, according to the provisions of the law of January 10, 1879, on forcible expropriation, shall conform to the prescriptions contained in this chapter of these regulations. Art. 2. When a work is in question the cost of which is to be defrayed in whole or in part with funds of the State, a plan of the work must precede the proceedings for the declaration of utility, which plan shall be drafted by the engineer or technical agent to whom the direction may pertain, according to the cases. The draft of the plan shall conform to the provisions of article 6 of the regulations of July 6, 1877, for the execution of the general law of public works of April 13 of the same year. Art. 3. The plan shall be transmitted to the civil governor in whose province the work is to be executed, in order that it may serve as a basis for the public notice referred to in article 13 of the law on expropriation. If the work should be included in two or more provinces, the notice may be issued in the same, successively or simultaneously, it being necessary in the latter case that as many copies be made of the plan as there are provinces, in order to deliver one to ...
